Dear Parents,

We have had an exciting week this week in school. Vision Day on Tuesday was great fun as the children took part in activities to explore our values, got to work in their houses and learnt a variety of new skills. Over the course of the day the children, and parents, came up with many ideas for our new vision which we are currently analysing and look forward to sharing our chosen vision with you all soon. Thank you to everyone who came during the day to support us in this journey.

The Roof Raffle will take place on 7th February 2020 at 2.45pm and the winning tickets will be pulled out of the hat during assembly in the school hall. There are 10 fabulous prizes. Please see the tickets in your child's school bag with a covering letter. If you would like any additional tickets these can be collected from the school office. Please return the tickets and the money to school as soon as possible. Thank you for supporting our charity and thank you to the Liam, Luke and Lola who are organising the event.

Please check your child's school bag for the curriculum overview, which will tell you what the children are learning this term. A reminder that homework is given out on a Friday and due in the following Thursday. Year 6 children have now been given their new SATs revision guides which will be used for homework every week until their tests.

Thank you to the parents who attended the Parents Forum Residential Visit Evening. I think the children will enjoy this visit very much and will develop their confidence and resilience. Class 4 children have been given a separate letter on this today, please ensure you check their bags as it contains some very important information.

If your child receives an award on a Friday during our celebration assembly, the award must be brought back to school the following Thursday. We have had a couple of instances where awards have not been brought back in time for the next awards assembly meaning we cannot give it to the next deserving child. Thank you to all those who attend our assemblies and join us in celebrating the children's efforts over the past week!

Clubs started up again this week. It was lovely to see so many children trying something new and learning a new skill. There are a few remaining spaces on the clubs lists, if your child would like to sign up please see Mrs Hewlett in the office.
