Dear Parents,

Thank you to everyone who took part in the Roof Raffle. To be honest, Liam, Luke and Lola did all the hard work and Mrs Carter helped with the organisation in the office. It was good to listen to Mr Metson who spoke about our role in the community. We feel it is an important part of our village life together. Watch out for more information on how to sponsor Miss Cotton's 160ft abseil all in aid of the church roof!

In school we take mental Health very seriously. The children's resilience and happiness enables them to be successful learners. Project ME for Year 5 and Year 6 children is going very well. There will be a written report for all parents at the end of the course so that you know what the children have achieved and learnt. At the moment the children are understanding how to cope if they get a little worried or anxious. There were some very good practical ways of dealing with stress. I was glad I joined in with the session at that point and did the exercise myself! As well as working with the children in school, you can also access information on the ChildLine website to help your child if they worry about school or life outside school. The charity Young Minds is also a great resource.

Please make sure you discuss the school dinner menu with your child. Some children are not eating the school dinners and the say that they don't eat that particular food at home either. You can always order an alternative, either vegetarian or jacket potato. Or please see me at any time to discuss this further.

Thank you to all those who attended the parents evening this week. Parents evenings are a vital part of your child's education. Not only does it give you an opportunity to view your child's books and discuss their learning, but also enables the home and school to create strong relationships to ensure your child receives the best care and support in all areas. As always, thank you for your continued support; the children are all working so hard and we are very proud of what they have achieved so far this year.

Please read the ICT policy on the website. I will be sending home an Acceptable Use Agreement for you to help your child to sign. Please check your school bag for this form. Thank you for your co operation.

The community services work very hard for our school. Very few people see this as they work at the weekends. They have started to paint our door frames the royal blue of our uniform and it has really brightened up the school. Well its just the first coat, but it is starting to look great! Thank you to them all for their dedication to community projects.

Class 4 thoroughly enjoyed their Ancient Greek day this week ; they looked amazing in their costumes! They learnt all about Greek markets and traditional Greek foods, created some beautiful mosaic pictures to go up around the school, performed some brilliant pieces of drama and enjoyed a huge Greek feast. Keep an eye out in your child's bag for a letter about our next exciting event: a writing workshop with a children's book editor!

The Sports Award was awarded to Joshua Donovan

The Art Award was awarded to Ralph Kilburn

The Values award was awarded to Archie Grice

Congratulations to Aoife Purcell for completing 60 miles of walking since December 2019.

A reminder to all parents/carers that waiting, stopping and parking on the double yellow lines outside of school's main gate is not ideal. The staggered entry in the morning should help with parking.

Our school lottery winner this week is: Mrs Waters
