Courageous Optimism

Heartfelt Compassion

Boundless Creativity

Dear Parents,

Welcome back after half term. It is great to see all the children again.

It was lovely to see so many faces at the Les Twins dance workshop during the half term break. Everyone thoroughly enjoyed themselves and learnt some brilliant new moves.

Thank you to Grenville Nurseries who have provided free plants for our hanging baskets. And thank you to Mrs Andrews who planted the plants and made the front of the school look great. Thank you to Mr Rudland who has worked hard to improve our staff, meeting and learning areas upstairs. We are very grateful for all the hard work you have put in to make the school look and feel great. The community services are working at the weekends to paint the school, and you will notice that the school is white and royal blue like our uniform colours. It is all looking very smart.

The PTA held a meeting this week and they will soon tell you how they have spent your donations to give the children further opportunities in school. One of our big projects is to improve the library and with the support from the PTA, the library should be stocked with lots of new books in March and the library environment should be completed by July 2020.

Children as young as Year 2 are playing in inappropriate games via the internet, one of which being called 'Charlie, Charlie.' The children who have spoken about this game in class have frightened other children. Please monitor the games and activities that your children are accessing at home as some of these games are inappropriate for this age group. Please make sure that you are using all the correct parental controls on your devices at home. The NSPCC has very good information for parents on being 'net aware.' The children have no access to this type of information on our school devices as they have the appropriate restrictions in place.

There will be a menu change on Tuesday 10th March. The new menu choices will be chicken or Quorn korma served with rice and naan bread, or a jacket potato.

Thursday 5th March is World Book Day. As with every year, the children are invited to come into school in fancy-dress based on a favourite book/character, or wear their own clothes if that suits your family better. Class 4 will also be taking part in their Creative Writing workshop the following day, 6th March.

If you are walking your dog to or from school with the children, please ensure any mess is picked up. We have had a couple of incidences recently where mess has been left outside the school gates and our children have unfortunately trodden in it.

You will have all received a letter via ParentMail yesterday containing the most recent government advice regarding the coronavirus. Please make sure you have all read this carefully. If you have any questions please do contact us. We will inform you if there are any updates from the Department of Education.

Best wishes, Maire O'Regan and Sarah Cotton

**A reminder to all parents/carers that waiting, stopping and parking on the double yellow lines outside of school's main gate is not ideal. The staggered entry in the morning should help with parking.**

Our school lottery winner this week is: Mrs Gilbert
