

Courageous Optimism

Heartfelt Compassion

Boundless Creativity

Dear Parents,

We hope you are all well and that your family and friends are healthy too. As you will know from the extensive coverage in the media, the schools re-opened this week. Roxwell has always been opened for the Key worker children and children with EHCP's and a huge thank you to those staff members who have been working all through lockdown.

The risk assessment (very extensive and agreed by the Local Authority) states that the children stay in 'bubbles.' This means that when the children return to school they will be with their year group 'bubble.' This means the children can play with their group of friends in their year group, but not mix with any other group or 'bubble' of children. That means the children are in small groups and if a child were to get ill in that small group, only that small 'bubble' group of children would be sent home for a 14 day isolation period.

We welcomed back some Year 6 children on Monday and they have really enjoyed using our new Chrome books and starting a new project. However, someone in the Year 6 bubble showed Covid19 symptoms on Thursday. The Year 6 bubble and staff had to go home. The person has had a Covid19 test today and we await results. If the results are positive the children and the staff in this bubble need to stay at home for 14 days. We wish them well and are sorry that they could not stay longer in school.

It is so hard to plan for the future, however the plan is that the EYFS and the Year 1 children will return to school on 15th June. Again it is your decision to send the children to school and I respect your wishes. I will send a separate letter for you with information about returning to school.

We miss all the children and wish you all well.

Call me any time on 01245 2248229 or on 07871724903.

Best wishes, Maire O'Regan and Sarah Cotton

Term Dates

21st July last day of Summer term
