Dear Parents,

It has been a lovely hot week for the children in school and we continue to work hard at the core subjects but fit in a walk and play too.

The children have settled very well into their bubbles and we still have a few spaces in the EYFS Group and one space left in the Year 1 Group, if anyone needs to get back to work. The Year 6 group which opened on 1st June is now full as we allowed Year 5 to enter that group this week because of low uptake from Year 6. The Key Worker Group is full. Thank you to the staff who have made the children feel very comfortable and who are supporting them with their learning. The children have got into a good routine and after reading, writing and maths, are enjoying P.E., Art projects and walks daily.

Even though the Government have suggested some changes to social distancing, there are no changes implemented by LIFE or the Local Authority as yet, but, as always, watch this space for further updates.

Your child's end of year report has been written and the report, along with your child's books will be hand delivered to most houses or posted if you live far away. Please feel free to open the reports after they have been in quarantine for 72 hours, as is stated in our Risk Assessment. Thank you to the staff for all their hard work.

Home learning was sent home on Monday, this week. Please phone the school office if you have not received it. Your class teacher will have spoken to you in some way this week, mainly by phone. We are pleased to know that you are all doing well.

A huge thank you to the PTFA who have donated money to the school library for new books; they are a great addition which the children will love. A special label has been inserted inside each book so we know exactly which ones they were. We look forward to sharing them with the children in September.

Have a great weekend. Maire O'Regan and Sarah Cotton.
