

Dear School,

My name is Liam Abraham, and I am the School Relationship Manager for schools in Essex. My role is dedicated to supporting schools in developing and enhancing wraparound childcare provision, ensuring high-quality, flexible solutions that meet the needs of both schools and families. Whether you are looking to establish brand-new wraparound care from scratch or take over and improve existing provision, I bring hands-on experience and a proven track record to help make it happen smoothly and effectively.

Working in partnership with schools, we have successfully secured funding through Active Essex to enhance wraparound services, demonstrating our commitment to creating accessible and engaging childcare solutions. As part of a national organisation managing over 1,000 settings daily, I have access to a wealth of expertise and resources. Locally, we are proud to deliver outstanding care across 25 settings each day, showcasing our ability to maintain excellence at scale. My mission is to work collaboratively with schools to create sustainable, impactful childcare that benefits both the community and the educational environment.

I have attached a 'How to Guide for Wrap Around Care' to showcase how we operate.

Here is my calendar booking link, if you'd like to meet virtually or in person, please select a time and date which works for you, and reference the purpose of the meeting. <https://meetings.hubspot.com/labraham1> . Alternatively, my email is labraham@premier-education.com.
